Rest in Peace Officer Rodarte

On March 26, 2025, the City of Marysville suffered a heartbreaking loss when Officer Osmar Rodarte, a devoted and courageous public servant, tragically lost his life in the line of duty while conducting a warrant. His passing has left a profound impact on the Marysville Police Department, City Hall, and the entire community he so selflessly served.

Officer Rodarte was more than just a badge—he was a father, a protector, and a friend to many. His absence is deeply felt, but his legacy of bravery and service will never be forgotten. In the wake of this tragedy, the outpouring of love and support from the community has been extraordinary. Local businesses, organizations, and residents have come together to raise funds and provide support for the two young sons Officer Rodarte leaves behind, ensuring they are surrounded by the same care and strength their father exemplified every day.

We extend our heartfelt gratitude to everyone who has contributed and stood beside the Rodarte family during this incredibly difficult time. Officer Rodarte's memory will continue to inspire unity, compassion, and service in Marysville for generations to come.

January 27th 2025 - Farewell to the Historic Hotel Marysville

Hotel Marysville Farewell

On January 27, 2025, Marysville bid farewell to the Historic Hotel Marysville, a landmark that had stood for over a century as a symbol of the city's rich past.

Once a grand destination of elegance and hospitality, the hotel had welcomed generations of guests and witnessed the growth and transformation of Marysville. Over the years, time took its toll on the structure, but its legacy remained in the hearts of those who cherished the city's history.

As the building's final chapter came to a close, the community reflected on the memories, stories, and significance of the Hotel Marysville. In its final days, the debris and rubble left behind were tongue-and-cheekily named Mount Marysville, a temporary reminder of the once-iconic structure. To honor its history, cleaned bricks from the hotel were handed out to attendees as keepsakes, allowing a piece of Marysville's past to live on in the hands of those who came to say goodbye.

Though the building is gone, its place in Marysville's history will never be forgotten.

Public Works

Your Public Works Crew at Work

Your Public Works Department is hard at work, ensuring our city's parks remain beautiful and well-maintained. From planting new trees that will provide shade and cleaner air for future generations to maintaining the main sewer lines that keep our infrastructure running smoothly.

Meet your Public Works Team

March 18th marked one year since Jason took on the role of Public Works Manager, and what a year it has been! Jason thrives on the diversity of his job—whether he's managing projects, or tackling new challenges, he enjoys every aspect of the work (and isn't afraid to throw in a little smart-aleck humor along the way).

Despite being an outdoorsy, country-loving guy who spends his free time hunting and fishing, there's one thing he just can't get behind—country music! But when it comes to food, there's no hesitation—lasagna is the way to his heart.

Jason has big goals, both personally and professionally. Two things on his bucket list? Seeing AC/DC live and getting the Corp Yard fully cleaned up and organized. One of the best pieces of advice he's ever received is to always stay positive and keep a good outlook on life—a mindset he carries with him every day.

Here's to Jason's first year as Public Works Manager—thanks for all you do to keep things running smoothly!
